

Attention Parents and Community Members!!

We would love to have you join the volunteer program here at Sunnyslope Elementary. Volunteers play an important role in our school. They give time and encouragement to our students when needed and give teachers an extra set of eyes, ears and hands in a variety of different ways.

Every Volunteer needs to have a background check done prior to volunteering in any way. Included with the paperwork, we also need to make a copy of your current photo ID. I know that this can seem time consuming but having the paperwork on file is strictly enforced, for our students safety. You have the opportunity to fill out the short form any time you are in the building, just stop by our main office and any of our office personnel can help you. It just takes a couple of minutes to complete and once you are cleared, you will receive an email stating that you are able to volunteer for the next two years.

You can use this clearance at any school within the South Kitsap School District. If you have filled out a clearance packet at another school, please feel free to let me know and I will request a copy to keep on file at Sunnyslope as well.

If you have any questions on the volunteer process or on future volunteer opportunities, you may contact me at any time via email or call my office from 8:45 AM to 10:15 AM, Monday thru Friday.

Our Volunteers are very important to us and we 'Thank You' for every moment you spend with the children at our school!!

Your time really does make a difference!!

Carol Ewalt
Volunteer Coordinator
